**RE: Merlo and Davidson Federal Court class action alleging gender and/or sexual orientation based discrimination, bullying and harassment against female RCMP members and public service employees**

You received a letter earlier this year in which you were advised that the parties in this litigation reached a settlement agreement which was subject to the approval of the Federal Court. I am pleased to advise that the Honourable Judge Ann Marie McDonald of the Federal Court approved the Settlement on May 30, 2017.

Enclosed please find a Notice of Settlement Approval which provides more detail about the Settlement and the process for making a Claim, including contacts from whom you can obtain more information.

Yours sincerely,
